Summary

WAC 388-561-0100

Amended to reflect changes in the way some trusts established on or after August 1, 2003 affect eligibility for medical programs.

Clarifying Information

Provides more detailed information about trusts.

Provides more information about how to treat specific types of trusts.

The Trust chart was updated to reflect the August 1, 2003 changes and adds more information about the treatment of trusts

Worker Responsibilities

Added a list of questions that would be helpful for workers to use when reviewing trusts
